What gift does our nation need **MOST** for its 250th Birthday? What America's Abortion King, Dr. Bernard Nathanson, instructed us to do: **STOP THE KILLING** of our innocent unborn! Register your church to join the nationwide campaign in a spirit of repentance to pray for:

- Enlightenment of those blind to the dignity of human life
- Forgiveness for apathy and silence before the tragedy of abortion
- Reparation for 65+ million children lost from abortion
- Healing of our divided nation through God's Mercy
