

HOSEA INITIATIVE

Bringing Healing Truth to a Broken World

God Shed His Grace on Thee

**“IF MY PEOPLE,
WHO ARE CALLED BY MY NAME,
WILL HUMBLE THEMSELVES AND PRAY,
AND SEEK MY FACE,
AND TURN FROM THEIR WICKED WAYS,
THEN WILL I HEAR FROM HEAVEN,
AND FORGIVE THEIR SIN,
AND WILL HEAL THEIR LAND.”**

II CHRONICLES 7:14

In response to the 250th anniversary of our country's inception Hosea Initiative asked:

What do you gift a nation for its birthday?

Hosea concluded that what our country needs more than anything else is the mercy of God and **to stop destroying its own children.**

To that end, Hosea Initiative invites Americans coast to coast to unite as ONE nation under God. Let us bend our knees, implore pardon for our nation's past, pray grace into its present challenges, and beg life for its future citizens who lack civil liberties inside the womb.

Coordinate with your pastor or spiritual leader to host a prayer service or Mass at your place of worship on:

Sunday, October 11, 2026

and as God's people, let us ask Mercy 4 Life.

This spiritual, prolife action unites believers of all faiths across state and party lines. It also models the actions of our forefathers who placed the longevity and prosperity of the United States of America under God, the Divine Creator and Author of Life.

Focused Intentions of the Prayer Initiative:

- **Pardon** for our apathy
- **Light** for the spiritually blind
- **Healing** for those wounded by abortion
- **Forgiveness** for the 65 million lost lives
- **Grace** to 'STOP THE KILLING.'
