

Bringing healing truth to a broken world.

Top Ten Facts about Bernard N. Nathanson, MD

1. Dr. Nathanson was called America's "Abortion King." He had a role in 75,000 abortions and co-founded the National Association for the Repeal of Abortion Laws [NARAL] in 1969.
2. Dr. Nathanson effectively lobbied to legalize abortion in the State of New York in 1970 and ran the largest abortion facility in the western hemisphere from 1970-72.
3. Dr. Nathanson admitted to intentionally deceiving the courts, legislators, and the public with abortion-promoting propaganda.
4. Dr. Nathanson and NARAL adopted a "Catholic Strategy," incorporating the "Catholic Straddle," to malign clerics and separate voters from their religious convictions.
5. While still an atheist in 1973, Dr. Nathanson saw for the first time the preborn child on new technology —real-time ultrasound — and recognized the baby was his second patient. Science was the catalyst for his pro-life conversion.
6. Dr. Nathanson wrote in a 1974 *New England Journal of Medicine* article about his epiphany that all life has value and abortion kills an innocent human being.
7. Dr. Nathanson co-produced in 1984 a film titled *The Silent Scream* which documents a 12-week-old preborn baby opening his/her mouth in a silent scream before being eviscerated by the abortion vacuum.
8. Regretful for his involvement in the abortion industry and driven by guilt, Dr. Nathanson contemplated suicide during the 1980s before he found forgiveness through faith in Jesus Christ and repentance.
9. Dr. Nathanson spent the remainder of his life promoting bioethics and delivering hundreds of pro-life, pro-love messages around the world.
10. Dr. Nathanson, suffering with terminal cancer in December 2009, personally asked Terry Beatley to deliver this parting message to America:

"[Teach] the strategy of how I deceived America, but also deliver this special message. Tell America that the cofounder of NARAL says to: Love one another. Abortion is not love. Stop the killing! The world needs more love. I am all about love now."

(Dr. Nathanson died on February 21, 2011, at the age of 84.)
